## **SPECIALS, SPECIALS AND MORE SPECIALS**

Our manufacturing facilities are equipped with a number of different machines for manufacturing special fasteners and rods. In addition, we have a substantial network of fastener suppliers, both domestic and international, which allows us to service all of your construction fastener needs. If you don't see what you are looking for in our abbreviated Construction Fastener Catalog, please call your nearest Carpenter & Paterson sales office for assistance.

Smaller fasteners are boxed for easier handling.

Large special alloy U-bolts are manufactured in our Donora, PA facilities.

Forged clevises are attached to threaded rods with lock nuts and tagged. Assembling and tagging is an added-value service to simplify field erection.

We can thread up to 6" diameter and can provide a variety of coatings for corrosion protection.

Call your local sales office for additional fastener prices and availability
