March 10, 2025

To: Our Valued Customers

Subject: Price Change Announcement

Due to increases in raw materials, steel, and the new tariffs we will be increasing prices approximately 5-10% on all product lines. The new pricing will be effective April 1, 2025.

With uncertain market conditions pricing may change with short notice but we are working hard to improve efficiencies in our manufacturing facilities to offset these changes. We have invested heavily in new manufacturing equipment improving quality and raising productivity at our three manufacturing sites in Louisiana, Pennsylvania, and Georgia. We have also broken ground on a new 30,000 square foot fabrication center in our Waggaman LA facility that will further reduce costs and lead times for engineered products.

If you have any questions concerning the price change, please do not hesitate to contact your sales representative or your nearest Carpenter & Paterson, Bergen Pipe Supports, or FM Stainless office.

We thank you for your past business and look forward to your continued support.

Sincerely
The Paterson Group

Brian Lengvarsky
